Jon W. Davis, 0972252509, 9780972252508, William Davis, 2008

A leadership reference of tools, processes and templates for CIOs, COOs, CEOs and leaders. It is a guide to the key leadership tools of planning, processes, metrics and solution "best practices" that generate business success. It is divided into two parts, a Tool Selection Guide and the Tools. The Tool Selection Guide consists of: tool selection for strategic results "long term", the first 100 days of a new executive "short term" or immediate results "near term". Each Tool consists of: Value - what it is used for, Process - when and how to use it, Components - the parts of the tool. The book will help a leader create the value their customers, employees, partners, suppliers and stockholders demand. It will help the leader unlock corporate potential and create the best place for people to be.
